A bit high level, good have learned more if it was a bit more specific to our school.

Need more info on how we have fared in last few months on the SDP

9. Other comments

Thank you

We love the effort, time and passion that goes into Sunalta School

Great work!

Important information was shared in a clear and logical way.

Our school council does an amazing job! And the teachers are trying their hardest to put the kids first and make decisions on what is best for the students

The budget was eye opening for me, knowing that a bulk of the budget funds the teachers and only \$25000 remains for school enrichment

Thank you.

Summarizing current activities and services would facilitate better discussion around what should be prioritized (in the school plan/ budget part of the presentation)
