Lip balm or
travel size lotion

GRADE 2:

Travel size
Ear plugs or reg
razors

GRADE 1:

Travel size
shampoo or
deodorant

Kindergarten:

Travel size
toothbrush or
shampoo

Sunalta School will continue its tradition of participating in the Warm Feet for the Street Project run by the Mustard Seed Ministry especially in this unprecedented time. This program provides homeless individuals with a pair of woolen socks stuffed with personal care items to make life on the street a little easier.

Each class is asked to provide a specific item for the socks that will be assembled by the grade 6 classes. All items can be purchased at the grocery store, dollar store, or drugstore.

We are asking that all contributions be brought to the school no later than **Monday December 18th**.

Thank you for supporting this program, it is needed more than ever this year. It is small contributions made by many children that help make the holiday season a little warmer for an individual who is less fortunate.

If you have any questions regarding this project, please contact Cindy Lang at 403.615.1894 & email cindy.lang@shaw.ca or Lindsey Starko at starkolindsey@gmail.com & 587-892-2622.

Thank you all for your help and support, it means so much to so many.
